

load voltage and to reduces the power consumption of the load at one or more predetermined set points” should read “A power management subsystem detects the load voltage and reduces the power consumption of the load at one or more predetermined set points”.

3. The applicants’ mistake (the omission of the word “subsystem” in the Abstract) does not involve a change that would constitute new matter or require reexamination. The applicant’s mistake is of a minor character of a clerical or typographical nature.

4. The failure to list the cited reference was a U.S. Patent Office mistake, and because it appears on the front page of the patent, the applicants also request a Corrected Patent.

5. Please send the Certificate of Correction to:

Thomas E. Thompkins, Jr.  
Iandiorio & Teska
